# Camp Frenda 2012

## Dear Parents and Campers:

Camp Frenda provides a fun, active and educational outdoor program for young people in the beautiful region of Muskoka on picturesque Lake Rosseau. Our well-trained and caring staff provides a safe environment for children to explore nature and discover more about themselves, others and our Creator. From outdoor games in the field, water sport activities on the lake, creating art in the craft building, stories around the camp fire, to life lessons shared in camp council, we create the complete camp experience for each camper.

Look over the dates for our children, youth and specialized camps given in this brochure. Plan to join us this summer for a time of adventure and spiritual renewal. Take the time to invest in the future of your child by helping to create memories that will last a life time. Visit us at our website: [www.campfrenda.com](http://www.campfrenda.com) and register today for a summer full of fun.

We look forward to seeing you this summer at Camp Frenda!
